#### ANNOUNCEMENT

As part of the efforts of International Sericultural Commission, Bangalore, India, to support the countries to develop sericulture and silk industry in an organized manner, an innovative activity called "Volunteer Expert Programme" has been recently introduced. Under the programme, ISC has compiled a list of experts on sericulture and silk industry who have volunteered to extend their expert services for the development of the industry in other countries. There shall be no consultancy fee for the services extended by the expert volunteers. However, the recipient countries would meet the travel, boarding and lodging services of the volunteers during their period of service in their country. For more details about the programme, please look into ISC's web site link: <http://inserco.org/en/volunteer-expert-programme>

The ISC has already uploaded a list containing 45 volunteers enabling the interested countries/institutions to choose their services. Now, it has been decided to once again invite applications from interested persons across the globe to enroll under the Volunteer Expert Programme.

In view of the above, International Sericultural Commission hereby invite applications from interested persons to work as Volunteers under the Volunteer Expert Programme. The general criteria for enrolling as Volunteer are as follows:

- (a) A minimum qualification of University Degree or equivalent qualification,
- (b) Minimum 10 years of experience in the relevant field of expertise,
- (c) Proficiency in English, and
- (d) Medically fit to take up field works or related activities in a foreign country,

For enrolling as Volunteers, the candidates must submit the duly filled in prescribed Application Form, which can be downloaded from the ISC web site link <http://inserco.org/en/volunteer-expert-programme>

Application from interested candidates should reach the office of the International Sericultural Commission, Bangalore, India, by post or through email by **March 31<sup>st</sup> 2014**.
