31. Briefly explain your reasons for applying to become a ISC Volunteer:

Presently I am ISC volunteer and I want to continue it. I had vast experience in the Rearing Technology of Mulberry Silkworm and having enough experience to handle the national and international students effectively, I would like to continue it as a ISC volunteer. My present experience of spreading of Bivoltine in Non Traditional state, Tripura of India will help me to act as ISC volunteer particularly in new nontraditional area. My association with poor and Tribal women of Tripura made me enable to work with poor and less privileged community of the Society and this will may continue me to act as a ISC Volunteer

32. I certify that the statements made in answer to all the above questions are true, complete and correct to the best of my knowledge. I understand that any misrepresentation or omission made in this Personal History Statement form may render my candidature invalid or, if serving as a ISC Volunteer, liable for early termination of my contract. I have read and understood ISC's Conditions of Service and accept them in principle.
